PUBLIC COMMENT

Dennis Krasnosky, a Hocking County citizen that lives outside of Logan, has rental properties in town. He had to take one tenant to court for a civil case and expressed to the Commissioners the difficulty in communication within the Municipal Courtroom. He noted that the new Municipal building is a beautiful place, but the ceiling is very high and the acoustics are terrible. Commissioner Dickerson replied that the Commissioners will speak with Judge Mosees and see what can be done, or if anything is being done at this time. Dickerson thanked Mr. Krasnosky for his comment about the building. Commissioner Waugh suggested getting with the IT Director to see what can be done, sound system or titles perhaps. It would be up to the Judge though. Commissioners will speak with Judge Moses.
