APPOINTMENTS

1:30 - Mark Hurd, a retired Ohio State Highway Patrolman presenting for the Hippie Festival - asking for approval for use of the fairgrounds for next year's festival, explaining that there are about 160 vendors, alot from out of state. It is family friendly, good music, home-made and handmade products. Nothing inappropriate is allowed and no nudity or the person would be asked to leave. It is not a free love environment and no drugs. There are usually about 6-7 thousand attendee's. The festival likes the multiple entry/exits of the fairgrounds. Commissioner Dicken asked if it was the same time every year, Mr. Hurd stated that it is about the same time every year for the last 7-8 years. Commissioner D'Onofrio asked if they had talked to the Mayor or City Council about this. Mr Hurd had not but the Owner Tyler Trywyler talked with the Fairboard. Commissioner Dicken thanked Mr Hurd for coming to the meeting and giving details about the event, and she would share with the Fairboard that Mr Hurd had come to a meeting to give details. Commissioner D'Onofrio asked what the hours are for the event with concerns of loud music late. Mr Hurd stated the hours are 12 PM - 7 PM Saturday and Sunday.

Sue Morgan asked if they hold other events in Ohio. Mr Hurd stated that they have just this one in Ohio as of now.

Delia Sinkovitz stated that she heard there was a lot of marijuana smoking going on there, and she would not want that in the City. Mr. Hurd said not that he had seen it but he understood her concern.

Commissioner D'onofrio asked if Chief Pennie Stack or Chief Leif Bickel had comment about relocating the Hippie Fest to the Fairgrounds, Chief Pennie Stack stated that she did not believe that the City of Logan could handle that amount of traffic without major repercussions, and a different kind of plan would need to be put into place for sure if there was a possibility of that working.

Sue Morgan voiced concerns about drawing a lot of people we may not want here.
