CERTIFIED LAND CORNER RESTORATION

State of Ohio County of ... Hocking

I Mitchell W. Cosler , do hereby certify that on the 3rd day of March , 19.82,

I found evidence of the C-N 1/16 corner of Section 30

Township . 13 North , Range .15 West Levi Day is Nav Survey, as described hereon; and that from this evidence I established a new monument and accessories as described hereon to perpetuate the axiginal location of this corner:

Description of original monument and accessories and subsequent restorations: Original monument and accessories, as established by Levi Davis Survey (Hocking County) in 1870, are unknown. A plat of the Levi Davis Survey is filed at the Hocking County Recorder's Office, Book A-4, Page 423.

Subsequent restoration is recorded in Book 1, Pages 274 and 275, Hocking County Surveys, filed at Hocking County Engineer's Office. This 1913 survey notes an iron pipe being present at or near the corner.

Description of corner evidence found:

Recovered iron pin in 1982. Pin is $1\frac{1}{2}$ " in diameter and is 6" above ground level.

Description of monument and accessories I established to perpetuate the original location of this corner:

A $2\frac{1}{2}$ " x 30" concrete filled aluminum pipe with an aluminum cap was set for the corner monument. The cap was stamped as shown below. The corner point was determined by single proportionate measurements from the center 1/4 corner and the N1/4 corner. Established the following scribed bearing trees and object.

9" N58W

Iron Pin Chestnut Oak 1½" 9" S31W S8E 4.5 Ft. 10.7 Ft. 20.9 Ft.

- Corner monument restored

Resident witnesses.. ton.....Ohio, this 2/st. day of Jul Dated at. 19...82...

Title Registered Land Surveyor (County Surveyor, Registered Land Surveyor, or other duly authorized official)

Surveyors Registration No. S-6393

Office ofCounty of I hereby certify that the within instrument was filed in this office for record No......of County Records.

CERTIFIED LAND CORNER RESTORATION

State of Ohio

County of ... Hocking

...**, 19**..82...,

e day of Ware,
corner of Sections 30 and I Mitchell W. Cosler, do hereby certify that on the.... I found evidence of the N 1/16 corner of Sections 30 and 36

Township ... 13 North Range ... 15 West Levi Davis, Makkara Survey, as described bereon hereon; and that from this evidence I established a new monument and accessories as described hereon to perpetuate the xxxixixxi location of this corner:

Description of original monument and accessories and subsequent restorations:

Original monument and accessories, as established by Levi Davis Survey (Hocking County) in 1869 and 1870, are unknown. Plats of the Levi Davis Surveys are filed at the Hocking County Recorder's Office. Book A-4, Page 423 and Page 428.

Description of corner evidence found:

No evidence of the corner was found other than the intersection of old fence lines from the north, south and west.

Description of monument and accessories I established to perpetuate the original location of this corner:

A $2\frac{1}{2}$ " x 30" aluminum pipe filled with concrete, with an aluminum cap was set for the corner monument. The cap was stamped as shown below. The corner point was determined by single proportionate measurements from corner monuments north and south.

Established the following new bearing tree:

Sugar Maple	Hackberry	Beech
6"	8"	5"
N39W	S77E	\$9W
8.1 Ft.	19.2 Ft.	21.4 Ft.

The centerline of a stream is 72 feet east.

CERTIFIED LAND CORNER RESTORATION

State of Ohio

County of Hocking

3 rd day of March corner of Sections 29, 30, 35 and

I Mitchell W. Cosler , do hereby certify that on the... I found evidence of the Section hereon; and that from this evidence I established a new monument and accessories as described hereon to perpetuate the original location of this corner:

Description of original monument and accessories and subsequent restorations:

Original monument and accessories, as established by Levi Davis Survey (Hocking County) in 1869 and 1870, are as follows: Monument set - unknown.

Accessories -Hickory Hickory 20" 20" N71E S71W 25 Links 4 Links

Plats of the Levi Davis Surveys are filed in the Hocking Count Recorder's Office, Book A-4, Pages 422, 423, 427 and 428.

Subsequent restoration is recorded in Book 1, Pages 274 and 27. Hocking County Surveys, filed at Hocking County Engineer's Off The 1913 Survey records a stone corner monument and bearing tr Elm, 15", N-W, 16.5 feet.

Description of corner evidence found: In 1937 the U.S.Forest Service recovered a stone monument, and established the following BT's -Hickory Sassafras E1m 14" 6'' 6" N25E S83W N21W 18 Links 43 Links 21 Links

In 1982 the U.S.Forest Service again recovered the corner stone and also the Elm and Hickory bearing trees. The Elm is dead and laying on the ground and is believed to be the Elm called for in 1913.

Corner stone is 2" 8" on top with definite +, and 2" above ground level There are faint st remains three feet W-SW of stone.

Description of monument and accessories I established to perpetuate the original location of this corner: The stone corner monument was left in place and the following bearing trees were established:

Sugar Maple (Unscribed) Sugar Maple Hickory Shagbark Hickory 2" 4" 5" 3" N87W N79E N30E N27W 8.5 Ft. 12.3 Ft. 11.6 Ft. 6.1 Ft.

This corner is eight feet west of a stripmined highwall (20 feet high).

CERTIFIED LAND CORNER RESTORATION

State of Ohio

County of ... Hocking

I Mitchell W. Cosler do hereby certify that on the 3rd day of March 1982, I found evidence of the 1/4 Section corner of Sections 30 and 36 Township 13 North Range 15 West Levi Dayis, SYNONE Survey, as described bereon; and that from this evidence Lestablished a new monument and accessories as described hereon

hereon; and that from this evidence I established a new monument and accessories as described hereon to perpetuate the \footnote{\text{NYNAX}} location of this corner:

Description of original monument and accessories and subsequent restorations:

Original monument and accessories, as established by Levi Davis Survey (Hocking County) in 1869 and 1870, are as follows:

Monument set - unknown Accessories -

W. Oak W. Oak 24"

S83E S37½W

10 Lks. 33 Lks.

Plats of the Levi Davis Surveys are filed in the Hocking County Recorder's Office, Book A-4, Page 423 and Page 428.

Reference is made to Book 1, Hocking County Surveys, filed at Hocking County Engineer's Office, Pages 274 and 275. This survey indicates a corner stone monument was present in 1913.

Description of corner evidence found:

No evidence of the corner stone or bearing trees were found. The corner point is on an old railroad grade and near coal mining activities. Old fence lines run north and south from vicinity of the corner.

Description of monument and accessories I established to perpetuate the ariginal location of this corner:

A $2\frac{1}{2}$ " x 30" aluminum pipe filled with concrete with an aluminum cap was set for the corner monument. The cap was stamped as shown below. Corner point was determined by single proportionate measurements from section corners approximately one-half mile northerly and southerly. Established the following scribed bearing trees and objects:

Utility Pole	Sycamore	W.Pine	W.Pine
-	4"	11"	10"
S78E	S22E	N27W	N51W
138.3 Ft.	59.8 Ft.	59.4 Ft.	111.4 Ft.

Centerline of gravel road - south 37 feet Centerline of stream - west 138 feet

CERTIFIED LAND CORNER RESTORATION

State of Ohio County of ... Hocking

I Mitchell W. Cosler , do hereby certify that on theday of.... hereon; and that from this evidence I established a new monument and accessories as described hereon to perpetuate the oxiginal location of this corner:

Description of original monument and accessories and subsequent restorations:

Original monument and accessories, as established by Levi Davis Survey (Hocking County) in 1870 are unknown. A plat of the Levi Davis Survey is filed at the Hocking County Recorder's Office, Book A-4, Page 423. Reference is made to Book 1, Hocking County Surveys, filed at the Hocking County Engineer's Office, Page 275. This survey indicates a corner stone and a tile monument were present in 1913.

Description of corner evidence found:

Corner point is under water in a strip mine/Beaver Pond, therefore, no corner evidence was recovered. Corner point is supported by U.S. Forest Service acquisition field notes from 1936 and 1937 which call for a stone monument in place. The notes call for tile monuments on the line at 562.32 feet east and 1049.40 feet west. Both tiles were recovered in 1982 at 563.14 and 1045.09 feet respectively.

Description of monument and accessories I established to perpetuate the original location of this corner:

A witness corner was set on the Section Line between Sections 30 and 24. It is a $2\frac{1}{2}$ " Dia. 30" concrete filled aluminum pipe with an aluminum cap. The pipe is set 24" into the ground with a few rocks piled around the cap and is 16 feet south and 8 feet east of a high wall on the easterly side of the pond. There is a magnet under the monument's cap. The following bearing trees were established:

Shagbark Hickory	American Elm	TIAN RISW 5.32
2½"	3"	TI4N RI5W 5.32
S 32 W	s 42 W	5.30 5.24 & TI3N RISWAS/ RLS63
10.7 Ft.	6.7 Ft.	TI3N RISWADI
