The Lots. N<sup>o</sup>. 1-2-3-44. Embrace the original Leases Surrendered, which contain more than half the section, but was Deeded by the State as half quarters of the Section which was held by the District Court to be erroneous, and the owners hold yet agreeably to the original Leases, and not by the Deeds, so far as description and quantity is concerned. which holding reduces the South division of the Section to a less number of acres, than if held by the Deeds from the State, this Record and the south division of the section embracing a part of Lot 3 = 39 acres: Lots 5-6-9-10-11-12 & 13 & 7 & 8 in the North division made Aug 12 "1884.
